

Sacred Heart Catholic School and Parish Adopt – A – Student Program

St. Elizabeth Ann Seton was curious one day when she saw a priest carrying a metal container and many people dropped to their knees as he passed by. Elizabeth found out that Catholics believed the host was Jesus Christ. Elizabeth began having more interest in the Catholic faith and eventually she was received into the Catholic Church. A priest invited Elizabeth to establish a school for girls. The school opened and she continued to devote her time to building schools and caring for the poor. Soon she attracted a group of women and formed the Sisters of Charity. Mother Seton, as she came to be known, took great care to promote the parochial school system as we know it today.

There are over 200 children attending Sacred Heart Catholic School. We established an “Adopt-A-Student” program to assist students because the need continues to greatly outpace our availability of funds. Through your generosity, this program has enabled families without the necessary resources to send their children to our school. The actual cost of educating a student at our school is \$4100. Last year, we were able to help all families that qualified for assistance. Because of this assistance they are able to give their children a quality Catholic education. We would love to assist as many Sacred Heart families as possible in the coming year with your help. Please remember that your dollars contributed to “Adopt-A-Student” are a smart investment in the future of our Catholic community. We are very thankful for your continued support.

If you have any questions please call the school or parish office. No gift is too small. Remember your gift is tax deductible.

Thank you for your support! God Bless You! You are making a difference in a child’s life!
